Bullying

What Is bullying?

Bullying is behaviour by an individual or a group that is seen by you as an attempt to hurt, frighten, humiliate or threaten you or someone else, particularly if the behaviour is repeated or persistent.

Bullying Can Be...

- **Physical**: hitting, pushing, taking someone's belongings.
- **Verbal**: name-calling, insults, racist or sexist remarks, homophobic or threatening behaviour or demanding money.
- **Indirect**: spreading rumours, being unfriendly, excluding someone from a group.
- **Cyber**: all areas of internet, email, chat room misuse. Mobile threats by text messaging, instant messaging and calls. Misuse of camera and video on a phone.

How To React

- Try to ignore bullies. Walk away and do not let them see that you are upset. Don't give them the satisfaction of getting a reaction from you.
- If you can, calmly stand up for yourself and ask them to stop. Try to stay with friends and avoid being on your own.

What To Do Next

- Tell someone you trust. This could be a friend, someone at home or a teacher.
- Just talking to someone may help you to find a solution to the problem.

What Will Happen If You Tell A Teacher ?

- The teacher will listen to you and offer support.
- The teacher can talk to the person who is bullying you and hopefully stop the bullying.

What To Do If You See Bullying

- Comfort, support and stay with the victim.
- Tell the victim to report the incident.
- Tell someone (e.g. a teacher) what you have seen.
- If you are in a group where one member is bullying, show that you disapprove, because by doing nothing you support the bully.
