Othello Secretly Marries Desdemona

Othello and Desdemona marry in a secret despite Brabantio's objections. Although Othello defends their love, the marriage immediately creates conflict and prejudice.

Cassio is Degraded

Iago manipulates Cassio into drunkenness, resulting in a violent brawl. Othello dismisses Cassio from his position, making him vulnerable to Iago's schemes.

Iago's Resentment is Established

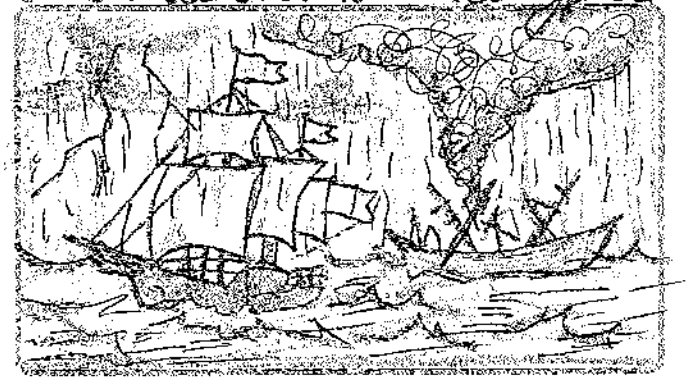

Iago reveals his hatred of Othello after Cassio is promoted to lieutenant instead of him. He decides to destroy Othello through deception and manipulation.

Jealousy is Carefully Planted

Iago advises Cassio to seek Desdemona's help while subtly suggesting to Othello that their relationship is suspicious. Othello's confidence begins to weaken.

The Action Moves to Cyprus

The Turkish fleet is destroyed by a storm, removing the external military threat. The focus shifts from warfare to Iago's psychological manipulation of Othello.

The Handkerchief Blames for Evidence

Emilia unknowingly gives Desdemona's treasured handkerchief to Iago, who places it where Cassio will find it. Othello accepts it as undeniable proof of infidelity.
